- Guidance**
- 1 - This is concerning bogus callers, asking for ID, people selling things, changing electric/gas providers, door to door sales people, or some other residents in hostels/supported accommodation.
  - 2 - Appliances are things like a toaster, kettle, microwave etc.
  - 3 - This could be a leaking pipe, or a broken window.
  - 4 - Some service users will not have the capacity to be responsible for their own security.
  - 5 - This could be taking the bins out, cleaning the fridge/cooker/food waste/toilet etc, use by dates for food
  - 6 - Smoke alarm, leaving fire on, leaving hobs/food in oven/burning things/putting clothes over a convector heater/extinguishing cigs safely, putting clothing over lights, sticking wires in sockets, candles/joss sticks, water and electricity don't mix.
  - 7 - Water on timber can cause rot, water on electric can cause fires, leaving taps running, with plugs in, damage to floor coverings, rotting carpets, leaks from rain, steam causing damp.
  - 8 - Electrical appliances and water, damaged wiring, use of adapters, turning gas taps on and not igniting flame, not covering electrical appliances, carbon monoxide detectors, smoke alarms etc
  - 9 - This is not only 999 services, for example: emergency repairs, emergency duty teams.
  - 10- Rips and trips, space, hoarding, sharps or needles, leaving medication out, alcohol left or broken glass in an unsafe place etc
