'SF' = What I want in my Support Plan

= What I can already do

General Safety

I know how to regularly check and manage the other general safety issues in my home, with support

What other general safety issues might I have?

Who can support me to check and manage them?

I can regularly check and manage the general safety issues in my home, with support

How do I check general safety issues in my home?

What support helps me to do this?

Guidance

- 1 - This is concerning bogus callers, asking for ID, people selling things, changing electric/gas providers, door to door sales people, or some other residents in hostels/supported accommodation.
- 2 - Appliances are things like a toaster, kettle, microwave etc.
- 3 - This may be knowing who to contact when there's a problem (locksmith, plumber etc)
- 4 - This could be to the Landlord or builder etc
- 5 - Lock the door, keep windows shut when out, turn off appliances (e.g fire, heating etc), keep keys safe.
